JOURNAL OF BEIJING UNIVERSITY OF TRADITIONAL CHINESE MEDICINE

BIMONTHLY, JANUARY 1996, VOL. 19, NO. 1

MAIN CONTENTS

- Research on Relationship Between Recipe and Syndrome in traditional Chinese Medicine
..... *Liu Duzhou* (3)
- Review of Research on Apoplexy Aphasia in Traditional Chinese Medicine
..... *Wang Xinzhi, Gong Hongtao, Wang Haijun* (6)
- Unity of Substance and Function—Preliminary Discussion on Dual Meaning of Qi
..... *Wu Miman* (10)
- Further Discussion on “the Heart Governs Mental Activities” and “the Brain Controls
Mental Activities”..... *Liu Xingren* (14)
- Relationship Between Sports Fatigue and Liver in Traditional Chinese Medicine
..... *Yang Weiyi, Chen Jiayu, Wang Tianfang, et al.* (17)
- Attempt of Reforming the Text Book of *Epidemic Febrile Disease Study*—Something
about Compiling the San Bei Text Book of *Epidemic Febrile Disease Study*
..... *Song Naiguang* (21)
- Comment on the Specific Theory of Cause and Syndrome in Japanese Hanfang Medicine
..... *Wang Qingguo* (25)
- Research on Property and Effect of Medical Plant of Camellia
..... *Chang Zhangfu, Chen Jingli, Fan Dongmei, et al.* (28)
- Comparative Research on Pulse Graph of Pathological and Physiological Slow Pulse as
well as Condition of Cardiovascular Function
..... *Li Guozhang, Zhang Tao, Fu Congyuan, et al.* (35)
- Influence upon Elements of Pain Caused by Body—Sensory Evoked Potential of Lower
Limb Post—Tibial Nerves by the Use of Non—pain Obsetic Combining with
Analgetic *Xia Yong, Dong Lijuan, Jin Lin* (39)
- Research on Correlationship Between Hemorrhagic Apoplexy, Ischemic Apoplexy and
their Respective Diagnosis in Traditional Chinese Medicine
..... *Xiao Shiyong, Wang Zhenhai, Jin Zhang'an, et al.* (53)
- Criterion of Diagnosis and Therapeutic Effect of Apoplexy
..... *Urgent Cerebral Disease Research Group of Science and
Technology, State Administrative Bureau of TCM* (55)
- Clinical Test Report on Criterion of Diagnosis and Therapeutic Effect of Apoplexy
..... *Research Group of Semeiology and Clinical Diagnosis of Apoplexy* (57)
- Clinical Observation of Improving Memory of Jian Nao Yi Zhi Capsule on Cerebral
Infarction Patients of Kidney Deficiency
..... *Li Ping, Wu Zhongxuan, Zhang Yunru, et al.* (60)
- Observation on Relieving Hemorrhage after Abortion of Early Pregnancy with
Mifepristone and Misprostol by Combination of Angong Chongji
..... *Zhao Rongsheng, Xie Ming, Bian Yixin, et al.* (62)
- Clinical Research on Diabetic Nephropathy Treated with Tang Shen Kang Compound
..... *Chen Dingsheng* (64)
